Isten hozott,

Open the floodgates to your success!

Look at your life and consider what you would like to create in it to make it better, happier, more joyful. Where would you like to be in just a year from now? How about more prosperity / abundance? My “Gateway” method works. Let’s look at some steps that you can take right now.

Step 1: First, make a list of all the physical items you choose to create. Example: a certain amount of money per year, a car, a new home, a T.V., etc.

Step 2: Now, look at the list again and take out all the items that you really don’t want or care about.

Step 3: You now have a real list.

Step 4: On a piece of white paper, in black ink, draw an open gate. (For those of us who can’t draw one, simply draw an upsidedown letter “U”.) Make the size as large as you are comfortable with. This can be a small piece of paper or an oak tag size. Do NOT use color.

Step 5: Inside of the “Gateway”, 1st write- “This or Better”. Next, write your list of items.

Step 6: Place my “Gateway” in a place where you will see it the first thing in the morning and the last thing at night. Such as- in your medicine cabinet or on your bedroom wall. Focus on it only for a few seconds, “know” that these items are coming in because they are, expect them and look for them.

Step 7: As each item comes in, put a big check mark next to it.

Everything on your list, that’s positive and doesn’t hurt anyone (you can’t ask for someone else’s job if they have nowhere else to go), will come in. We don’t know the time, as to when, but we do know the outcome.

So make your list, focus, know, expect and RECEIVE.
